

December 2019

Dear Parent/Carers

Extra-Curricular Activities – Spring Term 2020

Please see overleaf the programme for the extra-curricular school activities.

If your child is interested in any of the clubs please complete the registration of interest form and return it to the school office by **Tuesday 17 December 2019**.

If you request a place for **Netball, Multi Sports, Dodgeball, Sports Leaders, Choir, Karate, Famfit, Football, Volleyball or Cross Country** your child will **automatically** be allocated a place and you **will not** require confirmation for these activities. However, for all other activities an email/text will be sent out via ScoPay confirming your child's place and requesting payment if required. An additional email will be sent informing you when all places have been allocated. Therefore, if you **do not** receive an individual confirmation email/text your child does not have a place.

Please be aware that Multisports, Big Bang Science and Famfit are payable to the details on page 3 of this letter. All other activities can be paid using the online payments section of ScoPay.

Due to high demand there will not be a notification for those not offered places.

Registration forms must be completed for all activities including those that have automatic places.

Please **do not** include any payment at this time unless it has been specifically requested.

Oakdale Junior School continues to offer a varied extra-curricular programme and looks forward to your child participating.

Yours sincerely

K GILLINGHAM (MRS)
Community Development Officer

E S BISSELL (MRS)
Headteacher

Please ensure all details above are completed

NEW CLUB

An exciting fitness opportunity offered to all children, parents and families starting at the beginning of 2020! FamFit means 'Family Fitness' and is run by Mr Jackson, at Oakdale Junior School. The family fitness sessions are specifically aimed at children over 4 years and their parents/carers. Mr Jackson is a specialist PE teacher, with over 10 years' experience within the fitness, exercise and sports industry and makes the health and well-being of children a priority of his teaching. The sessions will be circuit training based which are carefully designed in a fun manner to help improve the participant's cardiovascular fitness, speed, acceleration, power, strength, endurance, agility, co-ordination, and motor control.

Parent/carers are actively encouraged to accompany their children and take part during the sessions, although children over 7 years can participate by themselves. FamFit offers a safe and fun environment for families to spend time together in an active and healthy way and can help establish strong routines and healthy attitudes towards exercise within children for life. Payment for half term/whole term in advance. Please make cheques payable to **Mr K Jackson**. Hope to see you in the next decade ready to go!

NEW CLUB

Drama and musical theatre classes build self confidence, self esteem and team working skills. Workshops will include theatre games, improvisation, stagecraft, role-play, vocal skills and musical theatre.

Big Bang Science is pleased to be offering lots of fresh new science activities and experiments for the Spring term. It will be an exciting opportunity for your child to explore and experience some real hands-on-science. The sessions fully complement the curriculum, but will also offer just a little bit more, making sure your child's learning experience goes above and beyond normal teaching. Perfect for all those budding young scientists!

Please make cheques payable to **Alice Mott**. For any further queries, please contact Alice Mott at www.bigbang-science.com.

Champion Skills School

Champion Skills School (previously called Step into Sport) and Oakdale Junior School are teaming up to continue our multi-sports club on a Monday & Thursday after school 3.30 – 4.30 pm The club will be open for children in all year groups. Champion Skills School believe children should not only come away having had fun in their sessions but having learnt something as well.

Multi-sports will include a number of different sports such as:

Football - Handball - Netball - Dodgeball - Tag Rugby - Basketball and many more.

Please make cheques payable to **Champion Skills School**. For any further queries, please contact Patrick Brown on 07766056905.
